

# PhD in Educational Studies

The Faculty of Education at UPEI invites applications for a unique research degree situated within traditional and community-based education from early childhood through mature adulthood.

Conduct original research and examine theories and perspectives while working with active researchers and scholars who are committed to critical reflection, equity and diversity, innovation, and lifelong learning, locally and around the globe.

Join an exciting faculty and an innovative and supportive research community at UPEI.

**Have an impact.  
Contribute to knowledge.  
Make a difference!**

For admission and program requirements and funding opportunities, please contact  
Dr. Miles Turnbull, Co-ordinator of Graduate Studies, (902) 566-0341 or [mturnbull@upei.ca](mailto:mturnbull@upei.ca)
